TIFFIN, OHIO

Announcement

I extend a cordial invitation to all breeders interested in good cattle to attend my sale, and feel sure that those who come will not be disappointed, as my cattle are invariably good, and the pedigrees herein catalogued represent some of the best and most popular blood lines of the Shorthorn breed.

The public is familiar with Oakdale Shorthorns through our show herds. A careful perusal of this catalog is earnestly requested. It is a collection of Shorthorn pedigrees of the most fashionable and best that can be found, and the stock backing them verify the correctness of good breeding. Come and see what I have been doing for the advancement of the breed—whether you buy or not.

At least three-fourths of the offerings are safe in calf, or sired by the Grand Champion Bull Pride of Oakdale, also including several imported cows, a fact that will appeal to all breeders desiring to improve their herds. This combination of the best blood lines can not be other than of the greatest benefit to breeders of Shorthorn cattle.

Warranty, Terms and Conditions

Proper care should be given by purchaser to protect breeding qualities and health of animals.

All bulls guaranteed breeders. A bull should not be allowed to serve when under fourteen months of age, or allowed to run with herd under twenty months.

Cows with under four months calves by side are considered proven breeders.

All other cows and heifers sold as a single lot guaranteed breeders; calves, however, sold by side of dam as one lot not guaranteed.

Heifers should not be served for first calf by heavy or old bull.

Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months.

Heifers not settled when twenty-two months old shall be promptly reported. (Heifers over sixteen months sold open, not settling within six months of date of sale should be promptly reported.)

Any animal not proving up to foregoing guarantee shall, at option of seller, be returned to Frank R. Edwards for further trial, and upon failure to settle, be replaced with another of equal merit at the time of purchase to the satisfaction of purchaser, or purchase price refunded, with no allowance for expenses or interest on money. Salvage to go to seller.

All animals offered sold subject to a sixty-day retest.

Animals to be segregated from buyer's herd until retest is made, except herd be an accredited one.

Retest must be made by a Federal or State Veterinarian or Veterinarian deputised by State Veterinarian who is co-operating with Federal Veterinarian and qualified to do accredited herd testing.

LOCATION.

Tiffin is located on the B. & O., Pennsylvania and Big Four Railroads. Also has connections by T. F. & E. electric railway at Fostoria with Hocking Valley, Nickel Plate and T. & O. C. and T. F. & F. electric line.

TERMS.

Cash, or a credit of six months will be given on bankable notes, bearing 7 per cent interest from date of sale. Anyone personally unknown to me, desiring to give note for purchase, please bring bank reference.

All stock at buyer's risk after bid off. Pedigrees, a certificate of registry and transfer in the American Shorthorn Herd Book, will be furnished for each lot sold. All cattle will be carefully loaded on cars at shipping point. Sale to begin at 1 o'clock p. m., Saturday, June 10, 1922, at Tiffin, Ohio.
